

# Valentines for Veterans

Drop in  
January 17  
through  
February 8  
and create a  
friendly card.

***Please help!***

Send some **kindness** and **appreciation** to veterans in greater Springfield. Youth of all ages and their families are welcome to drop in to any Springfield City Library branch during open hours and create a handmade valentine. The collected cards will be distributed to the Soldiers' Home in Holyoke in time for **Valentine's Day**.
