

# ☆ The City Thinks ☆

The Final Frontier: Space, Science and Technology

**Become inspired!** The 2010 City Think program, The Final Frontier: Space, Science and Technology offers a fantastic opportunity to learn about the science and technology of space and its exploration. Programming includes book discussion groups, movie and documentary screenings, robotics demonstrations, Family Fun Day at the Springfield Museums, and is open to all in our community. **Highlights include:**

- Kick-off Lecture at AIC with author of *Time Traveler*, Ron Mallett Ph.D. 10/5
- Family Fun Day at the Springfield Museums and Central Library, focusing on robotics and space, 10/16
- The City Reads: book discussion groups, *Time Traveler* by Ph.D. Ron Mallett Ph.D.
- Movie Screenings/Discussion: *Roving Mars*, *Star Trek* and more

*"This is a journey into the unknown, something entirely new."*

*Steven Squyres,  
Lead Scientist, Mars  
Rover Expedition.*

- Presentations by FIRST student robotics groups & Springfield Stars Club
- Video contest, with PeoplesBank Scholarships to U.S. Space and Rocket Center Space Camp for the Winners

- Culminating lecture by Mars Scientist Steven Squyres, 10/24
